We call on all donors and decision-makers to **shift power to adolescent girls** and young feminist-led organisations.

**We demand**

1. For **accountability** tools and mechanisms to be **accessible, participatory, well-resourced, and supported.**

2. For adolescent girls to play an active role and have direct decision-making power in accountability processes and beyond.

The **Adolescent Girls Investment Plan** (AGIP) is a global, intergenerational, feminist coalition. We collaborate to drive political commitment and evidence-informed investments to shift outcomes for adolescent girls. **Amref Health Africa** is the largest health development non-governmental international organisation based in Africa, committed to improving health and health care.
In 2020, only 5.56% of ODA was gender- and adolescent-targeted. Yet, in LMICs, 25-30% of the population is made up of youth and adolescents.

We call on all donors and decision-makers to shift resources to adolescent girls and young feminist-led organisations.

We demand

1. For resource mechanisms and tools to be participatory and well-resourced.
2. For financial resources to be flexible, long-term, and unrestricted.
3. A mix of holistic financial and non-financial investments.
4. For adolescent girls to directly benefit.
